UU TEACHER					Sarah Ashby Calhoun					Dillon Heatherly

Reminder of Scoops Rules

1. Students are encouraged, but not required, to wear a mask during their time working in Scoops.
2. Students must wear their Scoops uniform (t-shirt, tennis shoes, and hair pulled back (if applicable)) and be ready to go at the start of their shift. Due to the time between shift changes, we are unable to assist with grooming so this should be done prior to coming to school.
3. Students will be rotated in smaller groups within their shift to keep appropriate distancing.
4. If you are uncomfortable with your student working at this time, please let us know so we can be aware prior to their shift.
5. For the safety of our staff and customers, if a student demonstrates any possible symptoms of sickness (cough, sneeze, runny nose, etc.), they will not be allowed to work.
6. If your student is not at school on the day they are assigned to work, they will not be allowed to work in Scoops. We understand many students are choosing to stay home at this time, but Scoops is for those students who feel comfortable coming back in person.

Note: If your student is signed up to attend Forward in Faith Ranch on Thursdays, they will miss their Scoops shifts. However, they will remain on the schedule as to reserve their spot for the future.
